

# Guide to Funding

Modern Tech Education in an Inclusive Environment.

## Internal WCCI Grants

### ELIGIBILITY

We offer \$1,000 in grants to students who meet any of the following criteria:

- Veterans
- Women
- Black/African American
- Hispanic/LatinX
- Native American
- LGBTQIA+
- Low Income

### HOW TO APPLY

This grant is awarded to you upon enrollment if you meet eligibility requirements for our coding bootcamp, and the eligibility requirements listed above.

You may receive a maximum of one WCCI grant AND one WCCI scholarship.

## WCCI IT Readiness Grant

### ELIGIBILITY

We offer up to \$1,500 for full-stack coding bootcamp students who have graduated from and paid for our PreSkill Programs.

## Internal Scholarships

### ELIGIBILITY

In addition to our grants, we offer up to \$1,000 in internal scholarships to select students who meet any of the grant criteria (listed under Internal WCCI Grants).

### HOW TO APPLY

After enrolling, speak to your student finance representative about submitting a scholarship application. Scholarships are awarded post-enrollment if you meet eligibility requirements for our coding bootcamp and the eligibility requirements listed above, and are selected by our scholarship review committee.

## External Scholarships

### NTI Scholarship

The City of Cleveland has chosen We Can Code IT to upskill residents in a handful of neighborhoods. Certain Cleveland-area residents may qualify for a scholarship from [Cleveland's Neighborhood Transformation Initiative \(NTI\)](#).

Several factors including your specific location within Cleveland and your household income help determine if you are eligible for this opportunity. NTI covers up to 50% of your full-stack coding bootcamp education!

PreSkill Program scholarships are also available.

### HOW TO APPLY

Speak to your student finance representative about submitting a NTI scholarship application.
